An Exclusive Adults Only

Resort for Adventurous Couples

You are about to enter a world where the majestic outdoors intertwines seamlessly with unimaginable hedonistic opportunity. Nestled among the majestic pine trees of the Canadian Shield on the shore of our private, crystalline blue lake. Our resort has all the accommodation options you would expect for those who love modern luxuries but also enjoy the splendor of the great outdoors.

Couples are encouraged at Sandy Bottoms to explore their wild side, to watch and be watched and to get to know each other in our tranquil and enticing surroundings. This erotic vacation is strictly for couples looking to explore their naughty side in a safe and private setting. How naughty you get is up to you!

At Sandy Bottoms Resort, you embark on an erotic trip of your own design, finding the perfect balance of primal sexuality and erotic sensuality that will make the world melt away. There are no expectations, just an opportunity to tailor your vacation to what works for you.

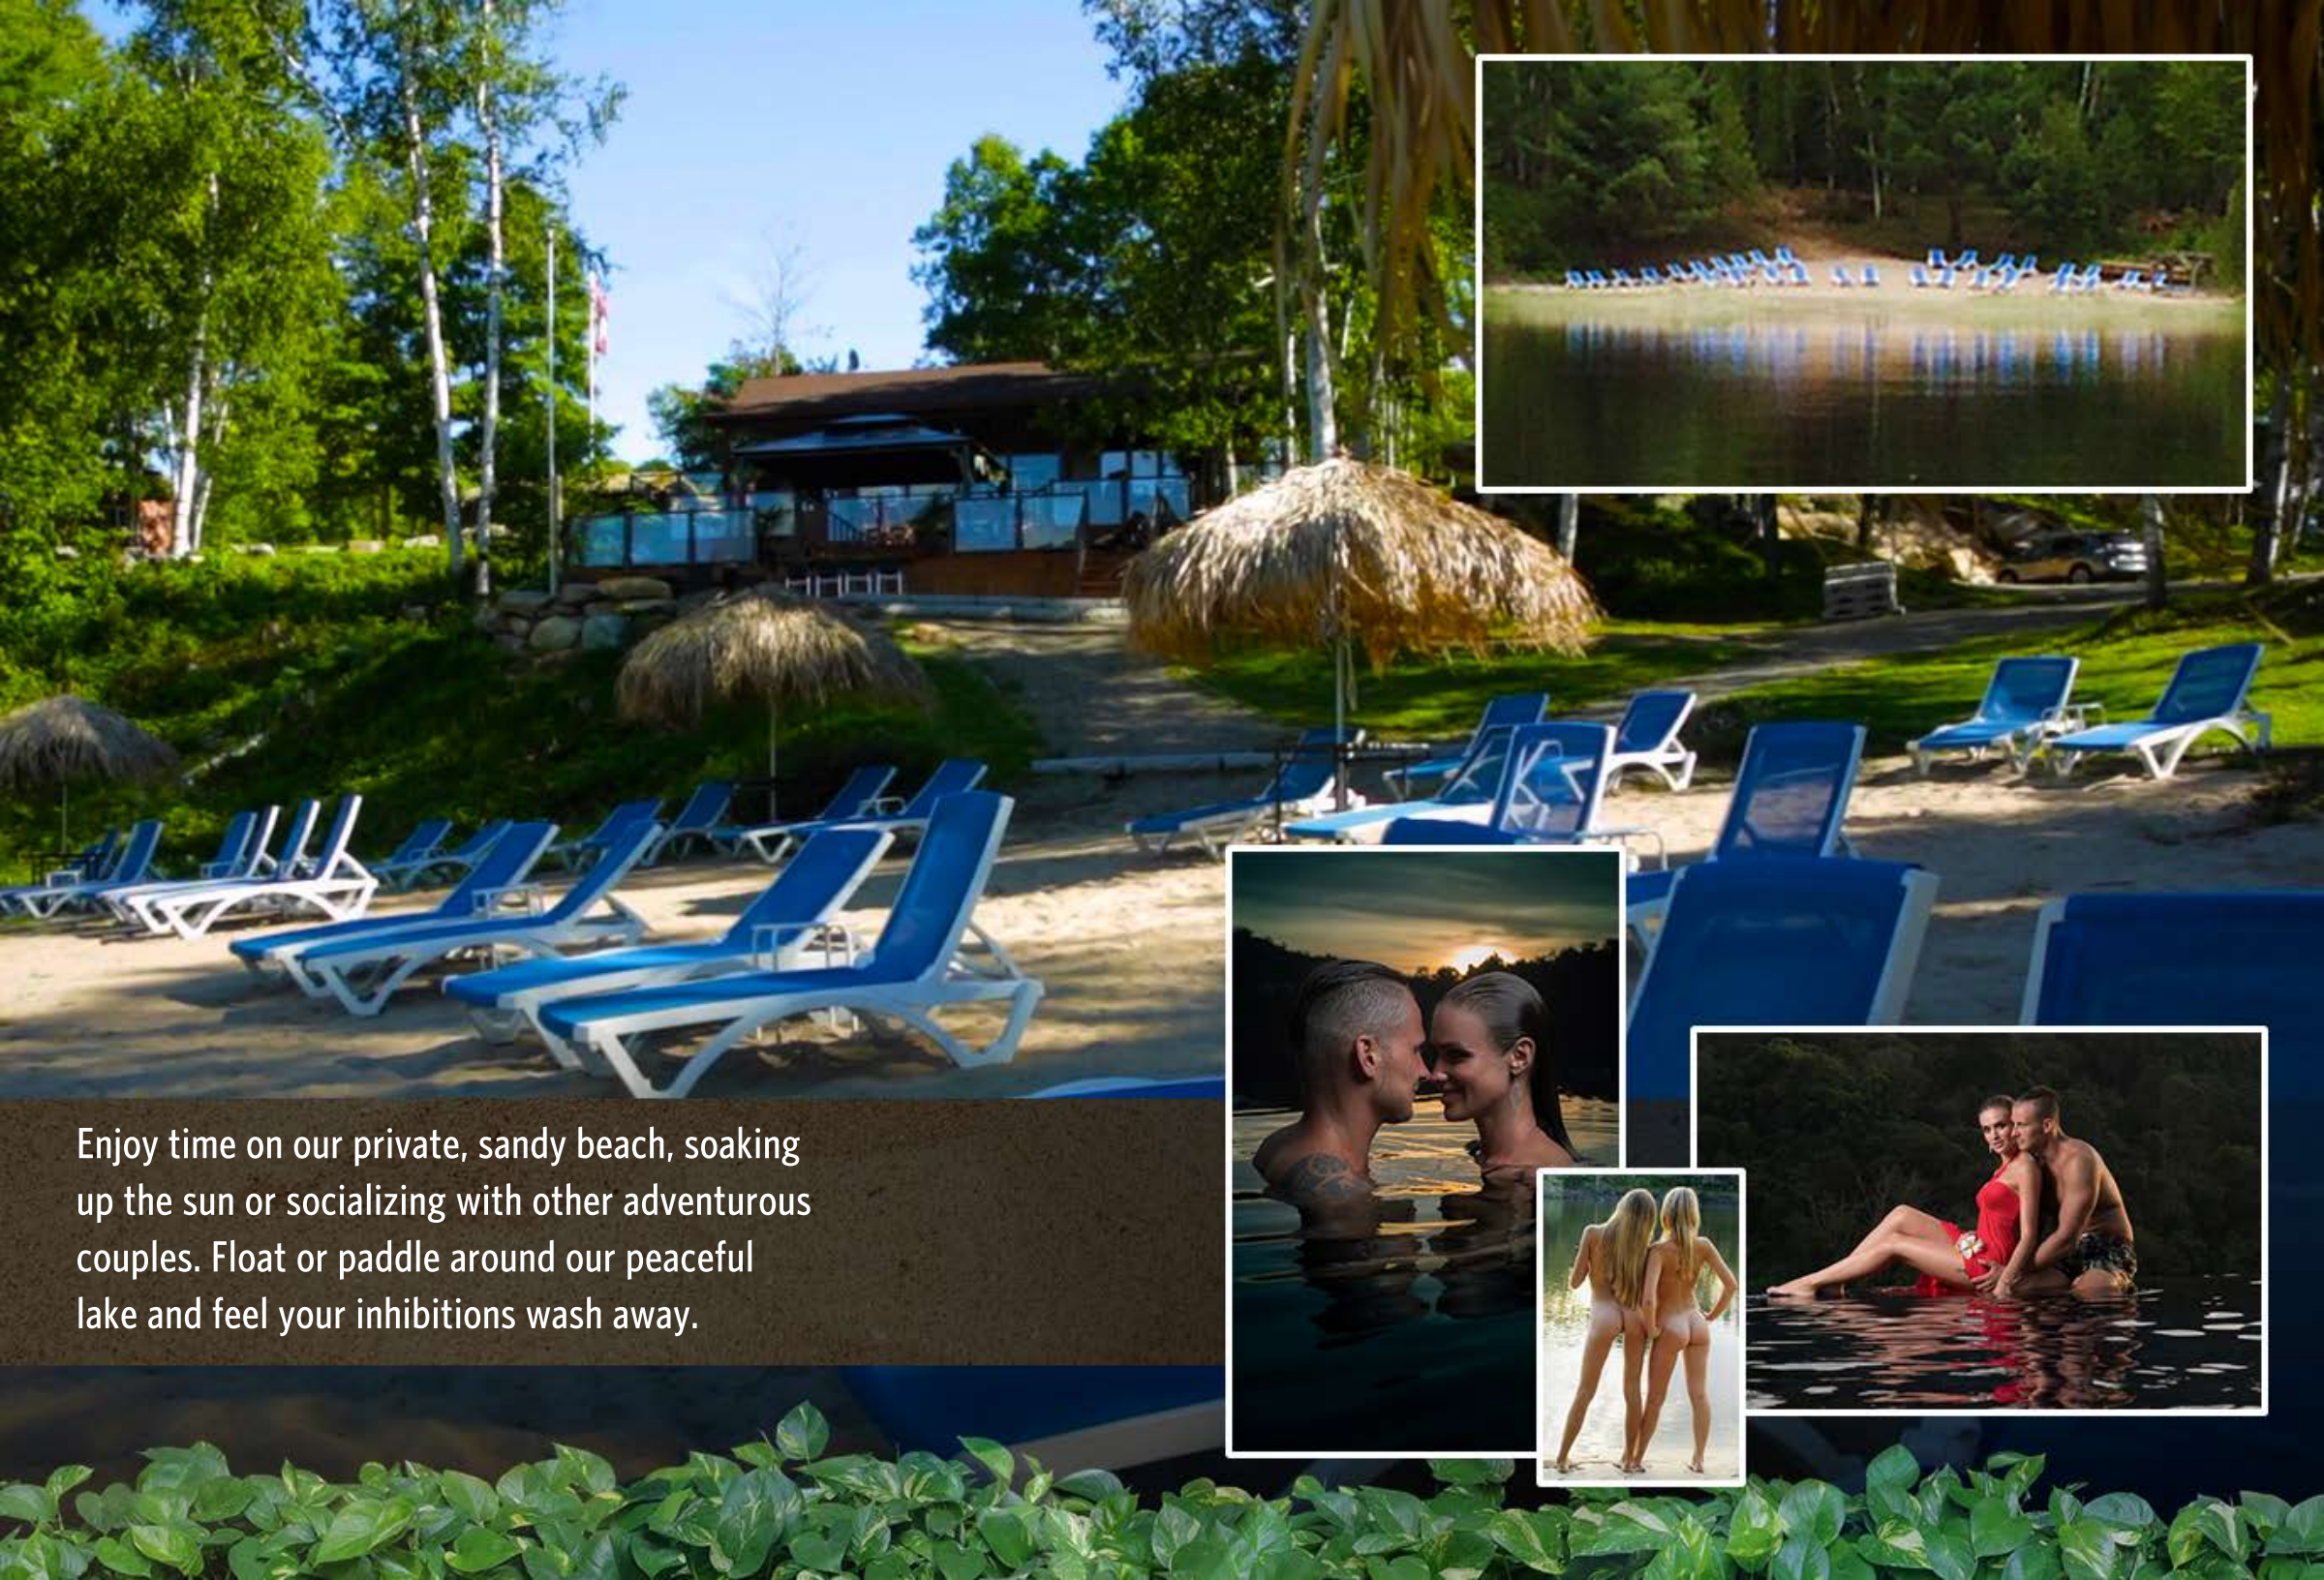

What is Provided

Our goal is to have you arrive and immediately feel at home and be able to leave the constraints of society, along with your inhibitions and your clothing if desired. Your Host is available to ensure every part of your Sandy Bottoms vacation is a pleasurable one, so please make sure you let us know if there is anything you need once you arrive.

We endeavor to supply everything you might need to make your visit as comfortable as possible and to provide the essentials that you will need. Our newly renovated lounge has plenty of seating, a powder room, satellite TV, DVD player and movies, Wi-Fi, ice machine and full kitchen.

Enjoy time on our private, sandy beach, soaking up the sun or socializing with other adventurous couples. Float or paddle around our peaceful lake and feel your inhibitions wash away.

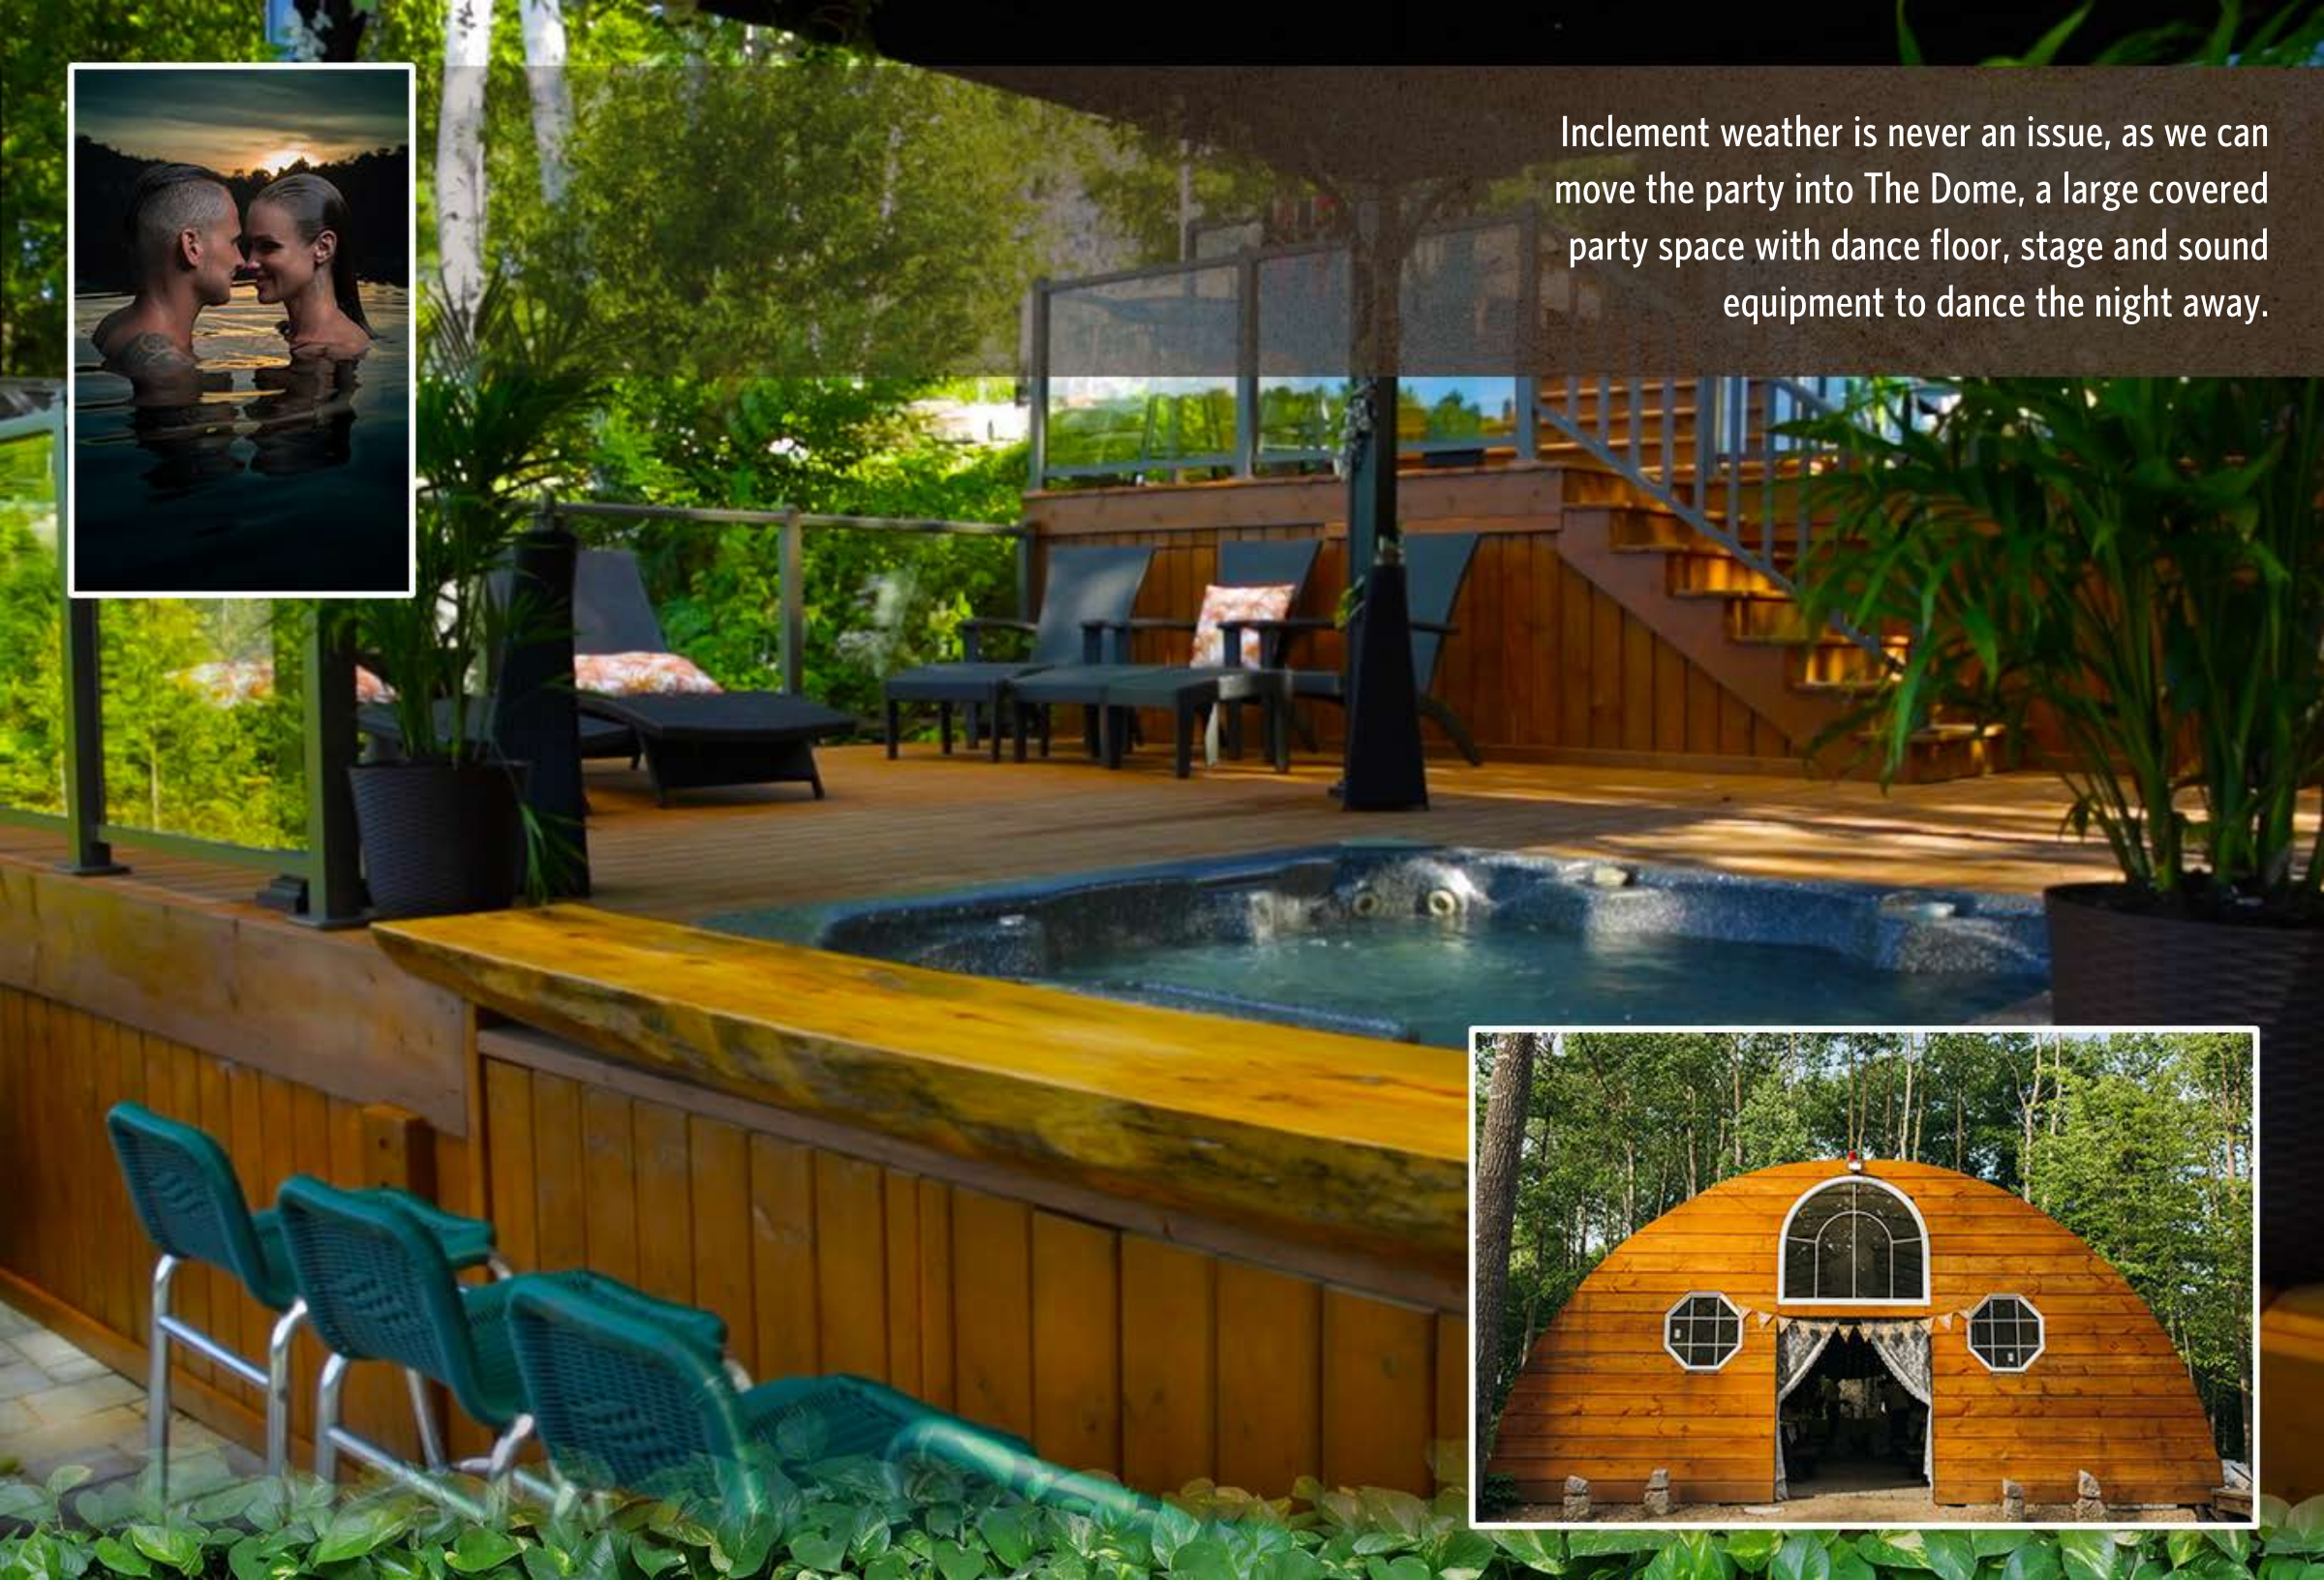

We provide non-motorized water craft such as canoes and kayaks, paddle boat and stand-up paddle boards for use on our private lake. As well as a central diving platform with water slide and a water trampoline on the lake to keep the party going.

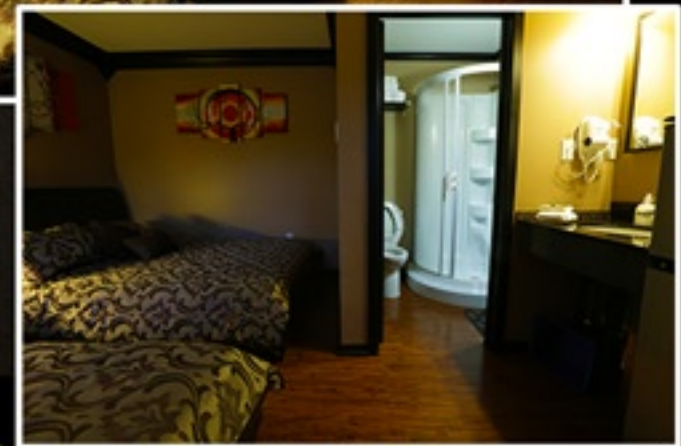

In the evenings, cuddle up by the campfire and share a drink with other guests or soak in the hot tub and stare at the stars. Hang out at the Cabana where our guests create the party.

Inclement weather is never an issue, as we can move the party into The Dome, a large covered party space with dance floor, stage and sound equipment to dance the night away.

We have several accommodation options, including Queen and King Rooms, each with their own mini fridge, microwave and coffee maker. Most rooms have 2 queen beds for those who wish to share with another couple. For that extra special vacation, we offer Jacuzzi rooms, complete with corner tub with jets, large screen TV, romantic fireplace and complimentary chocolates and champagne to set the mood.

We also offer quaint, cozy cabins for our budget minded guests. Cabins each have a queen bed, with bed linens and a mini fridge. Shared shower and washroom facilities are very nearby. If camping is your thing, we have a treed, grassy area for tents and small campers. We can accommodate a few larger campers and RV's, but as we are not a campground, we do not offer hookups.

Each of the 7 Cedar Villas is set into the edge of the forest for privacy and a view of nature, and each has a King bed, fridge/freezer, 2 piece powder room (shared shower facilities are nearby) and private deck with BBQ.

We hope you will join us this summer at Sandy Bottoms Resort!
